With refce to the enquiry at Sl 96 explains the reasons for suggesting the exception being omitted in the case of Bye-law No 2 & for retaining it in the case of Bye-law No 4

Invites refce to paras 12 and 14

The Municpal Council in the first instance suggested the addition of the words "except in cases of fire accidents" to be added at the end of Bye-laws 2 & 4 but the Dy Commr suggested the omission of the addition to Bye-law 2 only (Vide Flag A) He has therefore had nothing against the addition of those words to Bye-law 4 Hence I

Nes is clear also from the Communication of the President of the Harbour Board on the report of the Opera Flag C

The insertion of the word "to" to retain the exception of the bye-laws 4 has also the support of the Bye Commissioner In the circumstances the draft bye-laws may perhaps be approved.
